REPLY TO OFFICE ACTION

Dear Sir,

The Applicant is in receipt of a January 29, 2010 office action stating a variety of claim and specification objections. The Applicant is a bit confused as to whether there is a three-month period of time to respond bringing the deadline to respond to April 29, 2010 as indicated on the cover page of the Office Action Summary or if there is a shortened two-month period of time making the deadline March 29, 2010 as indicated on page 3 of the Office Communication. To ensure a prompt response, Applicant respectfully requests a one-month extension of time to respond bringing the deadline to April 29, 2010 in case the deadline was March 29, 2010.
